

“THE NEW TANNER PARK” BRICK WALKWAY PROJECT

Elm Street Hatboro, The Hatboro-Horsham Kiwanis Club, in conjunction with the Hatboro Village Players, will be constructing a lighted, paved, walkway leading from Springdale Avenue into Tanner Park to replace the old macadam walkway currently there. Monies raised from this project will be used for new playground equipment, and to upgrade the entire Tanner Park.

This walkway will be constructed of 6” x 9” E.P. Henry pavers.

This project is a wonderful opportunity for you to purchase bricks in honor of your children, grandchildren, husband, wife, parents or to memorialize a loved one, celebrate a new life or mark a date of importance in your life.

The funds raised from this project will go towards replacing picnic tables, upgrading current fencing to a more aesthetic appearance and to purchase additional playground equipment for
YOUR NEW TANNER PARK.

Engraved bricks will have a maximum of 4 lines of print with 15 characters or spaces per line. Please use a separate form for each brick ordered. The cost of each brick is just \$50.00

Anticipated target date for the completion of this project will be spring of 2008.
If you have any questions regarding the ordering of bricks please feel free to contact

Kiwanis Club	Tom McMackin	215-672-9352
